

REMARKS/ARGUMENTS

Applicant has amended the claims as indicated to correct the informalities noted by the Examiner.

In claim 1, the term "standard" has been deleted to eliminate possible indefiniteness and the Applicant relies instead on the structural limitations in the claim. If additional changes in the claim language are required, the Examiner is encouraged to contact the undersigned.

In light of these amendments and remarks, it is believed that claims 1 through 12 are now in condition for allowance and allowance is respectfully requested.

Respectfully submitted,

DENNIS J. PAYETTE, *et al.*
